 - Soldiers of the Border Guard Troops fallen between 1945-1947 (at ul. 29 Listopada, next to the bus station).
 - Polish soldiers fighting for their homeland (at ul. Rynek).
 - The murdered by the Nazis during the occupation (at ul. Rynek).
- 22. The Strwiąż River, flowing through Ustrzyki Dolne and entering Black Sea drainage basin.
- 23. Hiking and tourist trails in Ustrzyki Dolne:

The **red trail** begins at the bus station and leads to one of Kamienna Laworta's peaks (759 meters above sea level) and the junction of the red and green trails. Then it runs through the main peak of Kamienna Laworta (769 m above sea level), Wielki Król (732 m above sea level) and finally arrives at the sources of the Strwiąż River. After passing through Maly Król, which is 642 meters above sea level, the trail continues downhill into the town. Hiking time without breaks - 4 - 4.5 hours. A portion of the route follows the Crown of Ustrzyki Mountains Trail.

The **blue trail** begins at the bus station, runs through Brzegi Dolne, and ends at Orlik (618 meters above sea level) by following the steep Kiń slope. The trail turns to Jasięć before the Orlik peak, which leads to the yellow trail. Hiking time without breaks - 1.5 hours. The route follows the Crown of Ustrzyki Mountains Trail.

The **green trail** is a path connecting Kamienna Laworta and the Maly Król range. It starts at Kamienna Laworta and leads to Ustrzyki. The trail junction on the Maly Król ridge is then reached after a steep climb. Hiking time without breaks - 1 hour.

The **yellow trail** begins at the bus stop, runs through the town, and then goes by the stadium. It goes up to the peak of Gromadziń (654 m above sea level) in the Równia range. From this range, the trail turns left and leads to Jasięć, and then through the town to the bus station. Hiking time without breaks - 2 hours. A portion of the route is on the Crown of Ustrzyki Mountains Trail.

The **black trail** begins in the town square, runs through the town, and then goes by the stadium. It reaches the edge of the forest and turns right. Then it goes by the forest and after some time turns right and reaches the Jewish cemetery. Hiking time without breaks - 30 minutes.

Blue trail - a portion of the border trail, which starts near Arłamów, passes through the town from the peak of Kamienna Laworta to the peak of Gromadziń, and ends in Ustrzyki Dolne Commune near the peak of Labiska.

Crown of the Ustrzyki Mountains Trail - a hiking trail connecting the Ustrzyki mountain peaks. It starts in the city centre and leads to Kamienna Laworta, Maly Król, Holca, Gromadziń peak, then Orlik, and back to the city. Hiking time - about a dozen or so hours.

Sources of the Strwiąż River Trail - begins in the town square and runs to ul. Rzečna, then turns right and leads to the river's sources. The trail returns through ul. Łukasiewicza, Gombrowicza, and Nadgórze, reaches the "Park pod Dębami" and then the town square. Trail designation - an 8-kilometre length blue trail with a 3.5-hour hiking time.

Nordic Walking Trail - Ustrzyki Dolne - a trail passing through the town with information boards and exercise instructions and interesting historical facts.

"Oil Trail - An Overview of the Oil Industry's Historical Development" - a loop trail: Ustrzyki Dolne, Brzegi Dolne, Łodyna, Leszczowate, Brelików, Ropienka, Serednica, Dźwiniacz Dolny, Łodyna, Brzegi Dolne, Ustrzyki Dolne. Car and bicycle route.

Josephine Colonization Trail connects Ustrzyki Dolne with the following villages/towns: Bandrów Narodowy and Stebnik (exit from regional road no 896) and to Krościenko and Brzegi Dolne (through national road no 84). Most of the route for cars and bicycles follows a busy road.

Fortifications and Monuments to the Past Trail - the hiking trail starts in the market square. The trail includes: a monument to the victims of the Nazis (stone eagle), a monument in honour of the Siberian Deportees (city park), a monument to soldiers who lost their lives fighting in World War II (city park), a monument to the victims of the Ukrainian Insurgent Army (opposite Primary School No 1), a Jewish cemetery and monuments at church in Jasięć. Then the trails lead to the surrounding peaks (Kamienna Laworta, Maly Król, Gromadziń, Orlik) and to Brzegi Dolne ("Dragon's Teeth").

Sacred Buildings and Monuments Trail - starts in the town square and leads to eight religious buildings located in Ustrzyki Dolne (Greek Catholic Church at ul. Szkolna, municipal cemetery, Cross over the precinct, Church of the Blessed Virgin Mary, Sanctuary of Our Lady of Bieszczady, municipal cemetery at ul. Jasięć, Jewish cemetery and the Greek Catholic Church at ul. Strwiąż - currently the Roman Catholic Church).

Walking path in the "Park pod Dębami" - the path starts at the information board. The trail then ascends the stairs and runs alongside the fence, above the children's playground (among others, through the area of the former ski jump), between trees (including monumental oaks) and bushes. Walking path time - 10 minutes. This path is part of "Ustrzycka Rozeta" and is located on the cultural heritage trail involving the Bieszczady Location-Based Game.

Bieszczady Location-Based Game - At the Crossroads of Cultures - the cultural and natural heritage trail of Ustrzyki Dolne Commune. Players must locate 20 predetermined points in encrypted information. These twenty points cover topics such as the history, culture, heritage, the Regional Chamber, interesting events and the cultural heritage trail.

Bieszczady Location-Based Game - Culturally Diverse Ustrzyki Land - bicycle route of cultural heritage of Ustrzyki Dolne Commune. Players must locate 33 predetermined points in encrypted information. These thirty-three points cover topics such as the history, culture, heritage, interesting events and the cultural heritage trail. There are three routes: the 53-kilometre red route, the 33-kilometre yellow route, and the 22-kilometre green route.

Kamienna Laworta bicycle route - a loop route leading through the Kamienna Laworta ridge. This roughly 12-kilometre route is advised for riders who are practising a competitive sport.

Tourist Trail - "No Holic" Scenic Viewpoint - starts in the town square and runs to Ustjanowa Górna and the Żuków range. The trail can be followed to reach the scenic viewpoint from Równia and the peak above Łobozew (along the road from the Forest Inspectorate parking lot).
